

## **Susana is learning new parenting skills**

Western values are eroding the traditions of the indigenous North Argentinean communities that Susana is a part of.

It's changing the way the younger generation behave, which is leaving parents at a loss as to how to bring up their children. They don't know how to relate to them as their once shared values and way of life are disappearing.

**Mothers' Union – helping parents like Susana respond to this transition and reconnect with their children.**
