

Dear Fellows Members

I felt I should just put a little bit in Roundabout, and here, to say thank you.

As many of you know I have had a bit of a hard time these last months with my husband, Richard, developing another cancer. As a consequence I have not been sending my monthly letter. He finally died peacefully at home on 3rd February.

What I do want to say to you all is a big THANK YOU for all your prayers and support over this time. They have really upheld me. I was also touched by your messages of condolence when he died.

A special thank you to my Trustees for keeping the business side of MU going during this difficult time. You have all been wonderful. What a great 'team' MU is. Working together and supporting each other.

There is now light at the end of the tunnel when we look forward to a more normal way of life and being able to meet again.

Thank you all again and God bless you.

with love Kay
